Gorgeous hand-made carving

Luxurious fireplace combining Modern elements with exotic oriental touch. It demonstrates both the theatrical pathos and fabulousness. Whimsically bent stems of plants, creating wavelike, flowing, wondrous forms... Stylized chestnut leaves together with clean lines of beautiful profile emphasize the unity of form, design and “flowing space”. Velvet color of the fireplace is reached by special multi-layer polishing techniques. The fireplace mantel is flawless in shape and has a complex and unique profile. It is a fireplace for the connoisseurs.

Fireplace cost is on demand.
