The romantic mood of the fireplace is caused, first of all, by its pattern. Pompeian style ornament, based on the Etruscan motives, is remarkably revised. Fantastic birds and fabulous plants create the illusion of mystery. It seems that the fireplace form is created to show the pattern in the best possible way, as it was innovatively made of small pieces of luxurious marble in the technique of Roman mosaics. It appears as though the fireplace itself is made of ivory, giving it a noble and peaceful sounding.

Fireplace cost is on demand.
